

# MCBURWEN'S FASTFAST FOODS

**Dear Counter Service Person,**

*Environmental factors are forcing us to make some hard decisions. As you know, resource depletion in our region's major primary industry has resulted in many people leaving this area in recent years, and it seems that trend will continue for awhile. MCBURWEN'S management has decided to close this location two weeks from today.*

*Your service record here has been excellent, and it's been a pleasure working with you. I know that you've been taking courses in full-service restaurant skills and I'm sure this will pay off for you. We will certainly be pleased to give you a good recommendation if you need it.*

**Sincerely,**

***Ron Burry***  
**Area Manager**
