

### **IT'S A DIRTY JOB AND THE EVERGREEN TEAM DOES IT BEST!**

Evergreen is an industry leader in environmental clean up and toxic site reclamation. Our scientific associates are acknowledged experts in their fields and our techs are the best in the business. Don't cry over spilled toxics—call Evergreen Enviro-Tech!

We are offering an entry level position to an

### **ENVIRONMENTAL TECHNOLOGIST**

on our Site Reclamation Team.

The successful applicant will have:

- A Diploma from a three year Environmental Technology college program
- A comprehensive knowledge of the principles and practices of Hazardous Waste Management
- A personal commitment to a cleaner, healthier world
- Excellent teamworking skills

The person hired will be responsible for on-site air, water and soil analysis, site monitoring, and providing technical support to our Toxic Waste and Site Reclamation Specialists.

If you are a level-headed, safety-conscious person who can work closely with a highly motivated team in a hazardous environment, forward your résumé and transcripts of your marks to Linda Nash, General Manager, Evergreen Enviro-Tech, P.O. Box 6947, Station C, Yourtown.
