We are looking for a well groomed person with a pleasant personality who has completed a two year college program in Ophthalmic Dispensing and is now ready to complete their practical training under the supervision of a licenced Optician.

Basic office skills or previous experience in Sales or dealing with the public are a definite asset.

The person we hire may be offered a position as Optician on successful completion of licencing board requirements and exams.

Are you a gentle, friendly person who likes to help others look and feel their best?

If so, please forward your résumé with references to:
