

NORMAN WADELL CO. LTD.

Is looking for a

PRINT SHOP ASSISTANT

who has one or more years experience in a fast print shop as a helper or copy technician. You must be familiar with high speed copiers and laser printers and have basic computer skills, as well as some basic layout and formatting skills.

The successful applicant will be an energetic teamworker who can work overtime and weekends when necessary to meet our clients' deadlines. We cater to professional designers, engineers, and artists, so quality is our selling point.

If you know you can meet exacting standards—on time—please forward your résumé, with references to: Colin Wadell, Manager, at P.O. Box 3967, Station A, Greenville.
