SYSTEMS

require a

Technical Service Representative

Controlling Instrumentation

PROPAK is a leader in modern packaging systems. We are looking for an exceptional person to provide technical support to our clients and promote PROPAK's image as a friendly, accessible company whose customers always come first.

The successful applicant will have:

- **at least five years combined education and experience in technical service**
- **a broad general knowledge of the packaging industry**
- **a genius for problem-solving**
- **excellent communications skills**
- **an outgoing personality with good teamworking skills**

Please forward résumés to Ms. Colleen Dinn at P.O. Box 4378, Stn. A, Hubtown.
