

SETTLER'S

Thanks to a generous endowment of the original family home from the Hunter Family Foundation, we are about to graduate from being a small academic institute to a fully realized heritage site and interpretation centre. With the beautifully restored old home and outbuildings as a focal point, we will present the history of the settlers in this region for the public's pleasure and education. The library will be dedicated as the Emily Hunter Reading Room where researchers may review original documents and records from the Settler's Creek area.

We now require an

A r c h i v i s t

- To ensure the selection, authentication, and cataloguing of documents, maps and photographs relevant to this historic site.
- To act as a resource person and consultant to the planning team and the Hunter Family Foundation.
- To maintain the archival collection and a reference library and assist users in benefiting from this heritage resource.

We require:

- **A Master's Degree in Archival Studies.**
- **Extensive knowledge of local and regional history.**
- **Experience in archival care of photographs.**
- **Excellent organizational and interpersonal skills.**
- **Library experience is also an asset.**

Please forward résumés with references to the Hiring Committee, Settler's Creek Heritage Institute, P.O. Box 573, Orangeville.
