

DRIVER INC

Driver Examiner

Driver Examiners are responsible for evaluating members of the public at various stages of the licensing process. Some of the tests that you will be responsible for conducting include vision tests, written tests, oral examinations, and road tests.

Driver Examiners must have excellent time management skills, be well organized, and exercise superior judgment skills. Examiners must have excellent people skills, communicate well and document their work.

We require individuals who can work independently, meet deadlines, and strive to achieve customer satisfaction in all aspects of their work. Job can be quite stressful at times and involves a great deal of responsibility.

Multilingual capacity an asset.

Clean drivers abstract and be drug free.
